## Insurance Claim Solutions for You

### Let Linder Baker Adjusting be your Advocate

Your insurance policy affords you the right to several settlement options;

1) Adjusting the claim with the Insurers Adjuster and your contractor

Or

2) **Hire your own Public Insurance Adjuster** – to advocate and represent you throughout your claim

At Linder Baker Adjusting we advocate for you to reach a fair claim settlement with your insurance company. If you have damages **Hiring a Public Insurance Adjuster** may be your best option to receive a fair and unbiased settlement.

Call Kevin Baker to discuss your claim (320) 980 – 4400

Linder Baker Adjusting in St. Cloud, MN

### Your Insurance Policy May Afford You Coverage For:

1. Homeowner and Business Losses – Additional Living Expenses, Relocation, loss of income, all additional costs that you incur as a direct result of your Insurance losses.
2. Contents – Personal Property, Tools, Antiques, computers, valuable papers, data bases. Buildings – outbuildings, metal buildings, brick and mortar, other structures.
3. Mitigation, relocation, temporary office space, temporary industrial space, the cost to move your business operation, the costs you may incur in extra labor, extra accounting and more.

- Our services help you get your claim settled fairly and expeditiously. We document your property loss, file your extra expenses with your insurance company, we work with your contractor to value your property rebuild.
- We navigate your policy coverage so that you can retain the benefits owed to you. We want to work with you and your agent, so that the insurance claim process finally makes sense.

Our mission is to settle Insurance Claims in a timely and professional manner at a fair and equitable dollar value based on quality evaluation and industry standard compensation.
